FACTS:

Between August 31, 2024, and September 10, 2024, there have been numerous thefts from vehicles and vehicles stolen. Four vehicles, all SUVs, have been stolen from town, 3 of them had unlocked doors and the keys inside.

Additionally, at least 5 unlocked vehicles have been entered and valuable property such as tools, a laptop, golf clubs, wallets and cash have been stolen. Many cars were entered and rifled through but nothing of value taken.

Cards that were stolen were used in the East Bay and GPS on one of the stolen vehicles led Tiburon Officers to Oakland where they were able to locate one of the stolen vehicles, although not the one with GPS tracking.

It appears thieves from the East Bay are targeting unlocked vehicles in Tiburon. Please help deter these crimes by not leaving valuables in your car and locking your doors. If you see suspicious or illegal activity, IMMEDIATELY call the police at 415-789-2800.
