July 4 Weekend Update

Happy 4th of July Tiburon! Heading in to the holiday weekend, I think it is fair to say this year's celebration will be a bit different than those in years past. With COVID-19 cases on the rise, and many elements of the State and County mandated Shelter-in-Place Orders still in place, we will all have to take extra precautions as we honor our nation's birthday. But that doesn't mean we can't have a little bit of fun.

This weekend in Tiburon, we are kicking off the 'Slow Street' program approved by Town Council several weeks ago. Starting tomorrow afternoon, a portion of lower Main Street will be closed to vehicle traffic through Sunday evening. Numerous Tiburon restaurants will be setting up tables in the street, allowing residents and visitors the opportunity to enjoy fine al fresco dining while complying with social distancing guidelines. The Slow Streets road closure will occur every weekend through Labor Day.

Watch for more information on Tiburon's Slow Street (destination:Tiburon)

If a more casual experience is what you are looking for, grab your takeout and head to the waterfront or one of the four new picnic tables installed on Fountain Plaza. Whatever way you choose to enjoy Tiburon this weekend, please remember to wear your mask or facial

covering. In addition to the State requirement to wear a mask in most public settings, facial coverings will be required on the Slow Street portion of Main Street unless seated at a table.

Let's work together to ensure this weekend is a fun, healthy and safe one for all.

WEAR A MASK.

Slow the spread.
