

Jack Ryan

Age: 52

Occupation: Retired Finance Executive

As Councilmember, I will deliver two defining characteristics: First, as a problem-solver by nature, I will deploy my energy and our resources to improve our town. Secondly, I am committed to an accessible, engaged representative Council. Above all, I will be mindful that I work for the people of Tiburon.

My family has been fortunate to call Tiburon home for almost ten years. During that time, I've been actively involved in my community in a variety of ways. If elected, I would work to improve the quality of life for residents by supporting family-friendly initiatives and open space preservation while maintaining fiscal discipline. I will focus on invigorating our downtown while minimizing the impact of resultant traffic.

My community accomplishments include: Yellow Bus Challenge, Program Manager; Utility undergrounding in Hawthorne Terrace; President, Belvedere Tennis Club; Coach, youth lacrosse and volleyball.

You can be confident that I am equal parts thorough, effective, and respectful, and that I communicate effusively to ensure community engagement.

Before retiring, I was Head of Equity and Commodity Derivatives Trading at Wells Fargo. I graduated from MIT with a degree in aeronautical engineering.
