

Candidate Statement
Tiburon Town Council General Election
November 2020

David Kulik

Occupation: Incumbent

I am a 13-year resident of Tiburon, a father of two children in the Reed District, a commercial pilot, and a veteran and Officer of the United States Marine Corps. I have a Bachelor's degree in Physics from Lake Forest College, and an MBA from the Wharton School of the University of Pennsylvania.

Other than magnificent natural beauty, I believe the most compelling attributes of our Town are a continuing legacy of open space preservation, land use regulation, and budgeting discipline. In my opinion, these elements improve the quality of life of our citizens, enhance our Town, and enable our local government to be proactive rather than reactive. I will support a family-friendly environment, a robust downtown, and the improvement of infrastructure that will serve as an asset to our residents. I will do so in a way that respects the above attributes.

I am running to continue my service and history of fairness on the Tiburon Town Council and the Tiburon Planning Commission. For the past seven years, I have served our citizens on nearly every substantial policy and directional issue facing our Town. I humbly ask for your vote and support.
