

CANDIDATE'S STATEMENT

LEONOR "NORA" NOGUEZ

Occupation: Attorney

I moved to Tiburon in 2003 and raised my two girls in this amazing place. As the daughter of immigrants, born and raised in San Francisco, I was taught to love this country, work hard, and give back to my community. That is why I am running for office. I worked as an attorney for the City and County of San Francisco for over 20 years and retired as a Deputy City Attorney in 2013. I currently chair the Tiburon Heritage and Arts Commission, I serve on the Tiburon Peninsula Chamber of Commerce Board of Directors, and I chair the Marin County Personnel Commission. I want to use my experience to preserve the heritage of this community and prepare for its future. I want to tackle the issues of sea level rise, fire danger, drought, and community policing. I believe in fair, efficient, and fiscally responsible government. I stand for intelligent and realistic growth along with local land-use authority. I want to work cooperatively to fill empty storefronts and help existing businesses thrive. In addition, I want to build a community that allows people to age in place while making it a welcoming place for families. I would be honored to have your vote.
